Free access code for my Pearson Accounting Lab. Newsletter - Copies for review - Orders and sales representatives - Instructor materials - Value Packages - Membership code - ... and more I will continue to update this blog on a regular basis, unless my publisher and I decide to do it elsewhere. Next week I plan to send you some pictures to complete this article. I had a hard time finding the right text for each individual slide. After all, some of them are pretty short. I also plan to publish videos and articles in English on my blog in the next couple of months.
