You play as manager of a team in a league and choose the lineup of players that will later play in the upcoming season. There are four types of bets in the game: Match betting - you bet on a win or a draw. - Betting on goals - You bet on which player will score a goal. - Betting on Match Results - You bet on whether a team will win or lose. - Betting on the result of the season - You bet on whether a team will win or lose.
