MUSUMAT ARTISTS – ALL ABOUT IT... Finding your inspiration for your art in the Musumat Art Museum. The Musumat Art Museum is a private collection of fine art works owned by the Qasr Alwan Group. Qasr Alwan is a leading construction group in Bahrain that has a long history of building projects in Bahrain. Musumat has a unique ability to collect and exhibit art that has appealed to the senses. Our art collection was brought together on a journey to the south of Turkey. Our collection has grown from a few paintings of the 19th century to over 200 paintings of the 20th century. Musumat is able to offer our guests a unique and personal experience, combined with excellent artworks that are available to view and enjoy. How to explore the Musumat Art Museum Today, we are offering a tour, which takes you through the historical and artistic evolution of our paintings, on the back of a horse drawn carriage. The ride includes a stop at our horse farm, to see our beautiful horses and where we feed and groom them every day. Our gallery also offers a lunch program, where you can enjoy a variety of local dishes, which also include a juice or beverage of your choice. After lunch, you are free to explore our museum on your own, as the gallery will be closing at 4:00pm. During this visit you will meet a few of the gallery's guides, who can assist you with general museum questions.
