The world of ELDEN CALLED is a fantasy setting with a vast world. You can join in on a great story in which you can change the course of history. A new action RPG that uses 3-D graphics where you can enjoy the depth of the images and the realistic feeling that is missing from other games. • God (1) A figure in the Lands Between who has the Power of Creation. He is the main character and the guardian of the Lands Between. • God (2) He is an angel that is called "The Guardian of the Lands Between," and he watches over the Lands Between. • God (3) He is a boy who is the only son of the Guardian God. He is a character who decides the fate of the Lands Between. ■ NEW FEATURE World Map -You can travel throughout the world via a world map that looks like a map of the game. - The map is divided into 4 countries and 9 regions. -The locations on the map change according to the situation in the game world. Cities and Dungeons -There are large cities with various districts. - In addition to the cities, there are dungeons, which can be a major threat in this world. Dungeons - Dungeons can be entered by traveling to them on the world map. - Each dungeon has its own special building and screen. - Dungeons will also rise in level through battle, enhancing their attributes. Exploration - By using the world map, you can freely travel throughout the world to freely explore it. - You can also enter and explore the world via one of the various methods. Combat -You can freely fight on the world map. - Although you can freely fight, you need to be careful while exploring the world. - The world map also has special effects, such as explosions and enemy attacks, that change according to the situation. Items - There are a wide variety of weapons and items, with items suited for every play style. - You can also increase the attributes of your equipment. - The game provides you with strong equipment, such as swords and armors. MOD ADMIN Forum (Elden Ring Official) Moderator Apr 12th, 2018 Posted: Apr 12th, 2018, 1:20amSinkoku (\_sinkoku) were women who engaged in various forms of sexual or violent behaviours. Male artists and writers and even women satirists of the time criticised the Sinkoku, accusing them of promoting a depraved moral degeneration. In reaction, the Sinkoku developed a discourse of their own with self-justifying messages, which boasted and constantly reaffirmed their sexual legitimacy. However, this just heightened the perception of Sinkoku's immorality by a wider audience. Sinkoku were labelled by the Japanese mores of the time as kamakusai, an onomatopoeia meaning "brazen." Kamakusai as a verb was also an important element in the development of the popular vernacular of the late 19th and early 20th centuries. The term was originally used by Bakufu officials in the Edo period to describe seductive women who violated the laws against sexual immorality by engaging in sexual activities with strangers (genkusha) or intimate partners (fusai no onna). In the Edo period, women who were deemed as wanting to be "contracted" by strangers could have their money stolen by strangers and even be left to die in the streets. However, the Sinkoku were not the only group to practice various forms of sexual perversions and exhibitionism. For instance, a local community of women (called kobusai) formed in Nishiyama village in the Japanese province of Wakayama, during the Edo period, to "engage in all kinds of perverted sexual activity". The term sankoku was used interchangeably with the term kamakusai, and in the case of these two groups the derogatory meaning of "brazen" was applied to all of the women. Sinkoku were generally low class and often shunned by society. As such, they would often be hired by secluded and physically unattractive men to perform lewd services. They would**
