Yes you can play far cry 4 without cd keys or with cheaper rar files. If the crack is for other versions than mine will tell you that. This far cry arkangel is not at all specific for far cry 4. But if you want to play arkangel on far cry 4 it is needed to install some files. Now this is what i did and it worked for me. I had to do some tweaking as i am using deluxe edition since i am on windows 8. But i think you should have to do the same. Ok here is the tutorial: Download the crack from our download page: /farcrxood. For this game steam will need to be installed. Install it once and if you do not have a "play offline" option disable it. Start the install and accept all its terms and conditions. If the game asks you to install a multiplayer dll it is because you are using deluxe edition and you must ignore it. Install steam and set the game to offline mode. As the install finishes if steam asks you to install the cd crack. do that. All done. Go to steam and start your far cry and select the game. Now you can enjoy far cry 4 without cd keys. A; URGENT: Game Installs.rar. 1.Ever. 2.To work. 3.Must. 4.Install. 5.Work. 6.Install 7.Game. 8.Stardict. 9.Player .rar in the crack folder. 10.They stay there forever. The Other Way - Work First you download crack of far cry 4 (rar) Now the rar file is cracked now just open it via any zip program or anything you like and move the contents of the rar to the other folder where you downloaded crack file is saved. Once done with this move the contents of Far Cry 4 and its original file.rar to their original location in "C:\Program Files\Steam\steamapps\ As you can see we just unzipped
