Overview: Alien Swarm: Descent Hang on, those are visuals and not gameplay! What if you didn't know? Well, they are really the same, but it is just more fun to say "Alien Swarm: Descent" and nothing else. That is how it goes with me, anyway. A long time ago, in a galaxy far, far away, I made this game called Alien Swarm. It was a terrible game, the only one of it's kind. I guess I was a little messed up back then. I played the
