Learn today. Our eLearning authoring tool offers a convenient, interactive and cost-effective platform
that enables you to create engaging, effective eLearning courses quickly and easily. Until now, the
designer of any eLearning course would have to use a variety of authoring tools to assemble, convert,
test, and deliver a course. With CatLogics' authoring platform, eLearning course authors can go from
the concept to the finalized course with ease, using a single tool to quickly create and author, and
automatically test online quizzes. What if you could do all that without the need for IT skills or the
complicated construction of multiple authoring tools? What if you could easily design high-quality
eLearning without extensive technical knowledge or IT experience? Enter Dazzle. With our innovative
toolset, Dazzle allows you to create, test, deploy, and track your courses from concept to completion.
Dazzle is a single-button solution with no server setup required, so you can use it from any cloud or
development environment. Dazzle includes hundreds of customizable modules to save you from writing
code and for automatically converting your courses to a variety of output formats, including HTML5 and
SCORM. Pristine Design Cloud-based delivery Authoring as a Service Whether you want to create
learning content from scratch or leverage our templates and samples, Dazzle will help streamline the
entire process from start to finish to dramatically reduce costs and save time.
