**Samsung Champ Duos Gt-c3312 Pc Suite
DRIVER Free Download**

Set the proper path
in the file: The
Driver is delivered
in a.exe file. For a

Windows Vista and Windows 7 user, when you extract the.exe file, the Driver will be placed in the C:\Documents and Settings\All Users\Application Data\Samsung Electronics\. For Windows XP users, the Driver will be placed in C:\Documents and Settings\user\ all the time. If you

don't know how to set the proper path, please refer to the tutorial How to set the proper path of Samsung USB Driver and ADB Driver with Computer on the page of Samsung USB Driver and ADB Driver in this Blog. Launch and install the software: You can launch the Samsung Champ Neo Duos C3262

PC Suite from the installation folder or any shortcut to the installation folder. You can also choose the icon from the Samsung Champ Neo Duos C3262 PC Suite folder to launch the software. Launch the File Manager for Samsung SD card: You can launch the Samsung SD card file manager on the

program folder of Samsung Champ Neo Duos C3262 PC Suite. After that, you can click Samsung SD card on the left to view the root folder of your SD card. Then you can insert your SD card to transfer files in the computer. Check if the software is still running: After the installation is completed, you will

be able to start the Samsung Champ Neo Duos C3262 PC Suite from the Windows desktop shortcut or folder. By checking if it is still running, you can see if there are any errors after the installation. If it is running, you can finish the setup and start using the Samsung Champ Neo Duos C3262.
