

by M Himley 2021 Quoted from 3 - in other words , the Peruvian underground was not completely "left to the disposal of political and economic calculations" (Mitchell, 1988, p. ^). However, the obvious irony of the "income" is that it was a political organization with that name that created one of the most colorful cells of underground work in Latin America. This is one example of how history often turns out to be wrong for reasons that we might consider as accidental (see above). I think one to highlight the main points
