Twilight: Director: Katherine Hardwicke. Starring Kristen Stewart, Sarah Clarke, Matt Bushell, Billy Burke. When Bella Swan moves to a small town in Forks (just below) to her new boyfriend Rosalie, she discovers that her family are vampires. And not just any vampires, but pureblooded, aristocrats who have been hunting humans since ancient times. They live in this place because their family is threatened. If their secret becomes known, they will never be able to return to their home, and thus to their world. But what Bella doesn't know is that Edward, her lover, is not a pure-blooded vampire, but a werewolf who once had to leave his pack because of his bloodlust.
